Product Overview

High-Performance Engine Piston

This precision-engineered piston is designed specifically for Yamz engine mechanical systems. Manufactured from durable aluminum, it is built to ensure optimal combustion efficiency and reliable power delivery. The component is suitable for aftermarket replacement needs, offering a balance of performance and long-term durability for demanding automotive applications.

Technical Specifications

Material	Aluminum
Dimensions (L*W*H)	11 x 11 x 12 cm

Logistics & Warranty

Warranty	6 months
Packaging	1 piece per box, Neutral packing
Shipping Options	Sea Freight, Air Freight, Express

Commercial Terms

Quality Grade

Aftermarket

Payment Terms

- TT 30% deposit
- 70% upon bill of lading
- L/C
