Product Overview

High-Performance Automotive Condenser

This automotive air conditioning condenser is engineered for efficient heat exchange and optimal cooling performance. Constructed with durable materials, it features a parallel flow design with multiple horizontal tubes and vertical fins to ensure long-lasting reliability. Its compact design allows for easy installation across compatible vehicle models, making it an ideal replacement for maintaining system pressure and temperature control.

Vehicle Compatibility

Compatible Models

- Pilot EX V6 3.5L (2009-2015)

Technical Specifications

Core Size

762 mm
Width

464 mm
Height

16 mm
Thickness

Carton Dimensions

823 x 44 x 511 mm

Reference Numbers

OEM Number
80110-SZA-A01

Cross Reference Codes

Standard	Code
DPI	3771
TS No.	88-74036

Design & Construction

Key Features

Parallel Flow Design, Horizontal Tubes, Vertical Fins, High-Pressure Resistant, Compact Construction
