Product Overview

High-Performance Automotive Condenser

This automotive air conditioning condenser is engineered for efficient heat transfer and optimal cooling performance. Featuring a durable construction, it is designed to maintain consistent climate control within the vehicle cabin. Its precise dimensions and compatibility make it an ideal replacement part for specific Hyundai Elantra models, ensuring a reliable fit and long-lasting operation.

Technical Specifications

Core Dimensions	588 x 389 x 16 mm
OEM Part Number	97606-2H000
DPI Number	3591
Nissens Reference	940006

Compatibility

Compatible Models

Vehicle Model	Engine	Year Range
Elantra / I"	2.0L L4	2008-2010
