

Automotive Grille with Horizontal Bar Design

This automotive grille features a silver finish and a horizontal bar design. It is designed as an aftermarket replacement part for a vehicle's front end.

Product Overview

Premium Automotive Front Grille

This automotive grille features a sophisticated horizontal bar design, engineered to provide a sleek, modern aesthetic for vehicle front-ends. Constructed with a durable silver finish, it serves as an ideal aftermarket or replacement component. The design incorporates numerous small, rectangular openings that ensure proper airflow while maintaining a refined, professional appearance.
