Product Overview

High-Performance Backpack Blower

This professional-grade backpack leaf blower is engineered for efficient clearing of leaves, twigs, debris, snow, and building rubbish. Designed for both residential and commercial use, it features a powerful 75.6cc engine and an ergonomic anti-vibration system to ensure user comfort during extended operation. With a low-emission design and robust construction, it is a reliable tool for demanding outdoor maintenance tasks.

Technical Specifications

Engine Displacement	75.6 cc
Standard Power	3.7 kw
Fuel Tank Capacity	1.8 L
Engine Type	Single cylinder, air cooling, 2-stroke gasoline engine
Fuel Mixing Ratio	40:1 (25:1)

Performance Metrics

Key Performance Metrics

0.5 m³/s
Air Volume

92 m/s
Air Velocity

Physical Dimensions

Weight (N.W/G.W.)	10.8kg / 13kg
Packing Dimensions	520 x 390 x 560 mm

Compliance and Standards

Certifications

CE, EuroV
