

Backpack Mist Duster Sprayer

This backpack mist duster features a powerful engine for efficient spraying and dusting. Its large-capacity tank and adjustable nozzle accommodate varied spray patterns, while its comfortable backpack design allows for extended use.

Overview

High-Performance Backpack Mist Duster

This backpack mist duster is engineered for efficient spraying and dusting in demanding agricultural environments. Featuring a powerful engine and a large-capacity tank, it is designed to handle heavy-duty tasks such as applying pesticides, herbicides, and fertilizers. The ergonomic backpack design ensures comfort during extended use, while the adjustable nozzle allows for precise control over spray patterns in fields, orchards, and gardens.
