

Bagless Canister Vacuum Cleaner

This bagless vacuum cleaner has a 2.5 liter dust bucket capacity and automatic cord take-up. The power cord length is between 5 and 7 meters.

Product Overview

High-Efficiency Cleaning Performance

This bagless canister vacuum cleaner is engineered for efficiency and ease of use in professional environments. Featuring a high-capacity 2.5-liter dust container and an intuitive dust-full indicator, it ensures uninterrupted cleaning sessions. Its compact, maneuverable design is complemented by variable suction controls and a versatile reach, making it an ideal choice for diverse floor surfaces.
