

Basketball Themed Novelty Ceiling Fan

This novelty ceiling fan is designed with a basketball theme. It features five blades shaped like basketballs, a central motor housing resembling a basketball, and a light fixture enclosed in a basketball net-like structure.

Product Overview

Basketball Themed Novelty Ceiling Fan

This novelty ceiling fan is specifically designed to bring a fun, athletic aesthetic to any room. Featuring five basketball-shaped blades and a central motor housing resembling a basketball, it serves as a perfect centerpiece for children's bedrooms, game rooms, or sports-themed spaces. The integrated light fixture, enclosed in a net-like structure, adds a unique touch that combines functional lighting with playful design.
