Product Overview

Sporty bi-color design for enhanced vehicle aesthetics.

Durable plastic construction with a high-quality finish.

Premium Bi-Color Wheel Covers

Enhance the aesthetic appeal of your vehicle with these high-quality bi-color plastic wheel center covers. Designed with a sporty black and red finish, these hubcaps provide a modern look while offering essential protection to your wheel rims against dust, dirt, and debris. Constructed from durable ABS and PP materials, they are built for longevity and weather resistance, making them an ideal aftermarket upgrade for various car models.

Surface Treatments

General Silver Paint • Finish Coat • Chrome • Two-Colored Paint

Materials

ABS, PP

Technical Specifications

Simple 4-step installation process for a secure fit.

Installation Steps

- Determine fitting size by checking the last two digits of the tire code
- Attach the retention ring, ensuring the indent aligns with the valve stem
- Align the wheel cover notch with the valve stem
- Snap into the rim, tapping edges gently by hand or rubber hammer

Available Sizes

12 inch, 13 inch, 14 inch, 15 inch

Logistics & Packaging

Available as a set of 4 pieces for a complete wheel upgrade.
