

Big Wheel Steel Tricycle with Wooden Trailer

This tricycle features a large front wheel for stability and ease of pedaling. The attached wooden trailer adds an element of fun, allowing kids to haul toys and other items.

Overview

Classic Outdoor Play Experience

The Big Wheel Steel Tricycle with Wooden Trailer is a durable and engaging ride-on toy designed for children aged 3 to 6. It features a robust steel frame and a large front wheel for enhanced stability and effortless pedaling on smooth, paved surfaces. The included wooden trailer provides a functional hauling capacity, making it perfect for imaginative outdoor adventures.
