

Black and Grey Multi-Pocket Softshell Jacket

This outdoor softshell jacket combines black and grey panels for a modern design. Constructed from durable softshell material, it offers wind and water resistance with multiple pockets and adjustable cuffs.

Product Overview

Professional Multi-Pocket Softshell Jacket

This modern outdoor softshell jacket is designed for demanding work environments, combining durability with functional storage. Constructed from a high-quality 300g softshell fabric, it offers reliable protection while maintaining breathability. Featuring a versatile multi-pocket design and triple-stitched construction, this garment is built to withstand the rigors of industrial and outdoor use.
