

Blue Step-Through Motorcycle with Luggage Rack

This is a small displacement motorcycle with a step-through frame and a single seat. It features chrome accents on the fenders, exhaust, and engine components, along with a luggage rack at the rear.

Overview

Classic Step-Through Design

This blue step-through motorcycle combines vintage aesthetics with practical utility for urban commuting. It features a robust single-seat configuration and includes a rear luggage rack, making it an ideal choice for light transport needs. With its chrome detailing and compact frame, it offers a reliable and stylish solution for daily travel.
