

Blue Step-Through Motorcycle with Luggage Rack

This motorcycle has a blue step-through frame with chrome accents and a classic design. It includes a single seat, a rear luggage rack, and standard motorcycle tires.

Overview

Classic Design Meets Utility

This blue step-through motorcycle combines a classic, timeless aesthetic with practical design features for daily commuting and light transport. The accessible step-through frame ensures ease of use, while the integrated rear luggage rack provides essential cargo capacity. Built with chrome accents and a reliable air-cooled engine, this vehicle is designed for durability and straightforward maintenance.
