

Blue Street Motorcycle with Chrome Accents

This motorcycle is designed for street use and features a blue color with chrome accents. It is equipped with a front fairing, standard handlebars, a stepped seat, and multiple exhaust pipes.

Overview

Designed for the Urban Commuter

This blue street motorcycle combines classic aesthetics with practical design, making it an ideal choice for everyday urban riding. Featuring distinctive chrome accents and a comfortable stepped seat, it balances style with ergonomics. The inclusion of a front fairing and a multi-pipe exhaust system ensures a smooth and visually striking ride for professional commuters.
