

Blue Street Motorcycle with Silver Accents

This is a street motorcycle with a blue fuel tank and silver accents. It features a single seat, handlebars with mirrors, a headlight, and a rear rack.

Overview

Compact Street Performance

This blue street motorcycle features distinct silver accents and a design optimized for urban agility. Equipped with a reliable air-cooled engine and practical utility features like a rear cargo rack, it offers a functional solution for daily commuting. The single-seat configuration and classic street styling make it a focused choice for individual transport needs.
