

Blue Street Motorcycle with Silver Seat

This is a street motorcycle with a blue body and a silver seat. It features a black frame, mirrors, a kickstand, and standard lighting.

Overview

Design and Utility

This street motorcycle features a striking blue finish paired with a sleek silver seat, offering a distinct aesthetic for urban commuting. Built with a durable black frame, the design prioritizes both style and essential functionality. It comes fully equipped with critical safety and operational features, including a headlight, taillights, turn signals, and dual mirrors for enhanced visibility.
