Product Overview

Smart Bluetooth Body Composition Scale

This portable and compact smart scale utilizes Tuya-based connectivity to provide a comprehensive health analysis. Equipped with four precision strain gauge sensors and BIA biometric technology, it offers highly accurate readings for weight and various body composition metrics. Designed with safety in mind, it features a 5mm tempered glass platform with ergonomic rounded corners, making it a reliable and user-friendly solution for health monitoring.

Measurement Capabilities

Trackable Health Metrics

- Weight (kg/lb/st.lb)
- BMI
- Body Fat %
- Water Content %
- Muscle Mass
- KCAL
- Bone Mass
- Defatted Body Weight
- Visceral Fat Grade
- Protein
- Physical Age

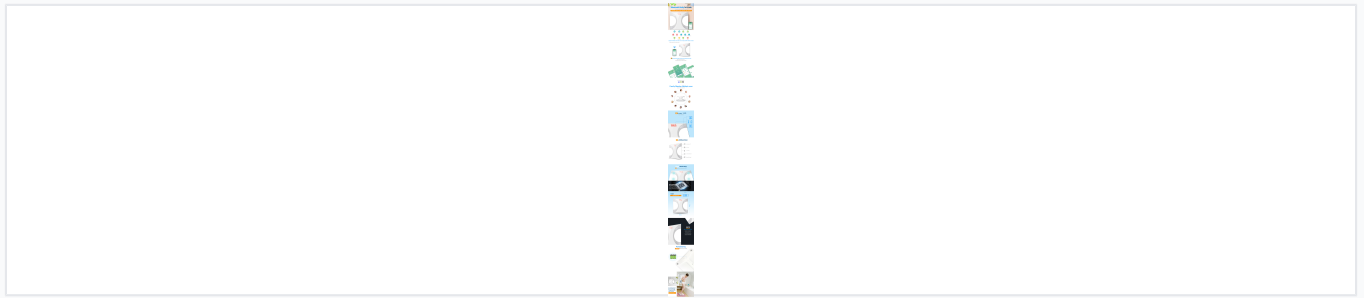

Technical Specifications

Performance Metrics

180 kg Maximum Capacity	100 g Graduation	5 mm Platform Thickness
-----------------------------------	----------------------------	-----------------------------------

Dimensions	280 x 280 x 22 mm
Power Requirements	3 x AAA Batteries (included)

Smart Features

Comprehensive health tracking via Tuya Smart Life App integration.

Smart Functionality	Bluetooth Connectivity, Tuya Smart Life App, Trend Curve Tracking, Multi-user Support, Auto Step-on/Off
----------------------------	---

Safety & Indicators

Status Indicators

Overload Indication • Low Battery Indication • Auto-Zero
