

Bottom-Freezer Refrigerator with Floral Design

This refrigerator features a vibrant pink floral design on its exterior. It is a bottom-freezer model designed for household use.

Product Overview

Aesthetic Floral Bottom-Freezer Refrigerator

This distinctive two-door bottom-freezer refrigerator combines essential refrigeration technology with a unique, vibrant pink floral design. Engineered for household use, it offers a functional layout with the freezer compartment conveniently located at the base. Its elegant exterior finish makes it a standout choice for those looking to blend modern appliance utility with a personalized home aesthetic.
