

# Brushed Nickel 52-Inch Indoor Ceiling Fan with Light

This 52-inch ceiling fan features a brushed nickel finish and five blades. It includes an integrated light fixture with a frosted glass cover and pull chains for fan speed and light control.

## Overview

### Elegant Cooling and Illumination

This 52-inch indoor ceiling fan combines modern aesthetics with functional performance, featuring a sophisticated brushed nickel finish. Designed for versatility, it includes an integrated light fixture with a frosted glass cover to provide ambient illumination alongside efficient air circulation. The unit is engineered for year-round comfort, utilizing a multi-speed reversible motor to assist in cooling during warmer months and heat distribution during cooler seasons.

## Technical Specifications
