

Brushless Cordless Impact Driver

This brushless cordless impact driver is designed for a wide range of fastening applications. The tool's brushless motor delivers high torque and extended runtime.

Product Overview

High-Performance Cordless Impact Driver

This brushless cordless impact driver is engineered for demanding fastening applications across automotive, construction, and general maintenance sectors. Featuring a robust brushless motor, it delivers high torque and extended runtime for maximum efficiency on the job site. Its compact, lightweight design ensures superior maneuverability in tight spaces, while the integrated LED work light and battery indicator provide essential visibility and status monitoring.

Technical Specifications

Voltage	20 V
Maximum Torque	260 N.m
No-load Speed	0~2800/min
Chuck Size	1/2"

Power & Charging

Compatible Battery Capacities

- 1.5Ah
- 2.0Ah
- 4.0Ah

Charging Times	1 hour, 3-5 hours
----------------	-------------------

Features

Key Features

Brushless Motor • LED Work Light • LCD Battery Indicator • Variable Speed Control
