

Burgundy Step-Through Motorcycle with Cargo Rack

This step-through motorcycle is ideal for urban commuting and light transportation. It features a single-cylinder engine, front and rear suspension, a rear cargo rack, white alloy wheels, a front disc brake, and a rear drum brake.

Overview

Versatile Urban Commuter

The Burgundy Step-Through Motorcycle is engineered for efficient urban commuting and light transportation tasks. Featuring a durable step-through frame design for easy mounting and dismounting, it combines practical utility with reliable performance. Equipped with a robust rear cargo rack, this vehicle is an ideal solution for delivery services or daily transport needs in city environments.
