

Butterfly Shaped LED Filament Lamp

This decorative LED filament lamp is shaped like a butterfly. It features energy-efficient LED technology and provides a soft, ambient green glow.

Product Overview

Innovative Butterfly LED Filament Lamp

This decorative LED filament lamp features a unique butterfly shape, providing a distinctive and eye-catching lighting solution for homes, offices, or event spaces. Designed with high-quality LED technology, it offers an instant-start, flicker-free, and gentle light that is easy on the eyes. With a long lifespan of over 80,000 hours and significant energy savings compared to traditional lighting, this lamp is both an aesthetic and practical choice for modern interiors.
