

Canvas Work Pants

These canvas work pants are made from heavy-duty canvas fabric for enhanced durability. They feature multiple reinforced pockets for tool storage and reinforced knees for added protection.

Product Overview

Professional Canvas Workwear

These durable canvas work pants are engineered for demanding environments, offering a blend of 80% polyester and 20% cotton for optimal wear resistance. Designed with professional utility in mind, they feature triple stitching for enhanced durability and multiple pockets for efficient tool organization. Suitable for diverse industries including offshore, mining, and manufacturing, these garments provide a reliable solution for heavy-duty daily tasks.
