

Car Headlamp with LED Daytime Running Lights

This car headlamp features a modern design with integrated LED daytime running lights. It provides excellent visibility and serves as a direct replacement for original W205 C-Class headlamps.

Product Overview

Premium Replacement Headlamp Assembly

This high-performance car headlamp is engineered as a direct replacement for C-Class W205 vehicles, ensuring a seamless fit and finish. Featuring integrated LED daytime running lights, this assembly provides superior visibility and modern styling while meeting or exceeding OEM specifications. The unit is designed for a hassle-free, plug-and-play installation, coming complete with all necessary bulbs and connectors.
