Product Overview

High-Performance CAT6 Networking Solution

This high-performance CAT6 LAN cable is engineered for reliable and fast data transmission, making it an ideal choice for networking applications in homes, offices, and data centers. Featuring twisted pair conductors to minimize interference, it ensures optimal signal integrity and supports Gigabit Ethernet speeds. Built with durable materials, it provides excellent bandwidth for demanding applications and includes convenient features for easy installation.

Technical Specifications

Conductor Gauge Options

- 23AWG (0.555mm/0.575mm)
- 24AWG (7*0.20mm)
- 26AWG (7*0.16mm)

Conductor Material	Copper, CCA
Cable Shielding	UTP, FTP
Jacket Material	PVC, LOSH
Insulation	PE

Compliance & Standards

Certifications

CE • UL • CUL • RoHS Compliant

Industry Standards

- ETA/TIA568
- IEC/ISO11801

Packaging & Logistics

Available Reel Lengths

- 100m
- 305m
- 1000m
