

Ceiling Fan with Light

This is an electrical ceiling fan with an integrated light. It features five wooden blades and a central light fixture with a marbled glass shade.

Product Overview

Versatile Ceiling Fan with Integrated Lighting

This ceiling fan combines efficient air circulation with functional illumination, making it an ideal choice for both residential and commercial environments. Featuring five durable wooden blades and a stylish central light fixture with a marbled glass shade, it offers a balanced aesthetic that integrates seamlessly with various interior design styles. The brushed nickel motor housing ensures long-lasting performance and a professional, clean appearance suitable for professional spaces.
