

# Ceiling Fan with Light

This ceiling fan provides both cooling and ventilation. It features five blades, a brushed nickel finish, and an integrated light fixture for ambient lighting.

## Product Overview

### Modern Cooling and Lighting Solution

This ceiling fan combines efficient air circulation with integrated ambient lighting, making it a versatile choice for indoor environments. Featuring a sleek brushed nickel finish and five durable blades, it offers a contemporary aesthetic that complements various interior styles. Designed for ceiling mounting, this unit provides both cooling and illumination in a single, space-saving fixture.
