

Ceiling Mounted 4-Lamp Bathroom Heater

This ceiling-mounted heater provides warmth in bathrooms. It features four infrared lamps for efficient and localized heating.

Overview

Efficient 3-in-1 Bathroom Comfort Solution

This ceiling-mounted bathroom heater provides a comprehensive solution for climate control and lighting in residential bathrooms. Engineered with four high-output infrared heating lamps, it ensures rapid warming of spaces between 10 and 20 square meters. The unit cleverly integrates heating, lighting, and ventilation functions into a single, compact white housing, making it an ideal choice for modern bathroom upgrades.

Technical Specifications

Air Flow

280 m³/H
Minimum Air Flow

300 m³/H
Maximum Air Flow

Power Consumption	1179 W
Voltage	220V-240V
Integrated Functions	Heating, Lighting, Ventilation

Installation

Installation Type	Ceiling Mounted
Cut-out Size	295 x 295 mm
Side Outlet Duct Diameter	100 mm
Recommended Room Size	10-20 m ²
