

Ceiling Mounted Exhaust Fan

This ceiling-mounted fan is designed for ventilation and exhaust. It is suitable for installation in bathrooms to remove moisture and odors.

Product Overview

High-Efficiency Ventilation Solution

This ceiling-mounted exhaust fan is engineered to provide reliable ventilation in residential and commercial environments, such as bathrooms and utility spaces. Constructed from durable, high-quality white plastic, its sleek design features a square grille with horizontal slats that seamlessly blends into modern ceilings. The unit effectively removes moisture and odors, ensuring a fresh and comfortable indoor atmosphere.
