

# Ceramic Curling Iron with Adjustable Temperature

This curling iron features a ceramic-coated barrel for even heat distribution and reduced hair damage. It offers adjustable temperature settings to suit various hair types, along with an ergonomic handle and swivel cord for comfortable styling.

## Product Overview

### Professional Ceramic Curling Iron

This ceramic curling iron is designed for efficient hair styling, featuring advanced PTC heating technology for rapid and consistent heat distribution. The 19mm heating plate is ideal for creating precise curls, while the durable PA66 shell ensures long-term reliability. With its ergonomic design and lightweight build, it is a practical tool for both salon and home use.
