

Ceramic Hair Straightening Iron with Swivel Cord

This hair straightening iron features a PTC fast heat chip and an on/off switch for simple operation. It is equipped with a 360-degree swivel power cord and is compatible with 110V-125V and 220-240V power supplies.

Product Overview

Professional Ceramic Hair Straightener

This sleek hair straightener features high-quality ceramic-coated plates designed for smooth, even heat distribution and a salon-quality finish. Equipped with advanced PTC fast-heat technology and an ergonomic design, it ensures precise styling while protecting hair health. The inclusion of a 360-degree swivel cord and optional ionic function makes it a versatile, tangle-free tool suitable for professional and personal use.
