

Children's Bicycle with Fenders and Rear Rack

This bicycle is designed for young riders and features a durable frame with vibrant yellow accents. It is equipped with front and rear fenders, a comfortable seat, a rear rack, and a chain guard.

Product Overview

Built for Young Cyclists

The I-ZERO Children's Bicycle is engineered for both durability and style, providing a stable foundation for young riders. Its robust frame features eye-catching high-contrast aesthetics, while practical additions like full fenders and a rear rack ensure functionality for daily use. With an integrated chain guard for safety and a comfortable seating position, this bike is an excellent choice for children developing their riding skills.
