

Children's Bicycle with Training Wheels

This bicycle is designed for children learning to ride. It features training wheels, a front basket, a rear carrier, and a padded seat.

Product Overview

Designed for Young Riders

This children's bicycle is specifically engineered to help young riders build confidence as they learn to balance and pedal. Featuring a lightweight frame for easy handling and maneuverability, it ensures a safe and enjoyable riding experience. The inclusion of training wheels provides essential stability for beginners, while the added accessories like the front basket and rear carrier enhance utility and fun.
