

Children's Blue and White Tricycle with Basket

This tricycle is designed for young children. It features a blue and white frame, a high-backed seat, and a rear basket.

Product Overview

Designed for Young Riders

This children's tricycle combines safety and fun with its sturdy blue and white frame design. Featuring a high-backed seat for comfort and a convenient rear basket, it is perfectly suited for toddlers and young children. The classic color scheme and chrome-accented wheels make it an attractive choice for active play.
