

Children's Decorative Ceiling Fan with Light

This decorative ceiling fan features five pink blades adorned with yellow star patterns and a central light fixture. In summer, clockwise rotation produces a cooling wind chill effect, reducing the perceived indoor temperature.

Product Overview

Whimsical Design Meets Functionality

This decorative ceiling fan is specifically designed for children's rooms and nurseries, blending playful aesthetics with essential functionality. Featuring five vibrant pink blades adorned with yellow star patterns, it serves as an eye-catching centerpiece while providing effective air circulation and illumination. The design is complemented by a clean white motor housing, ensuring it fits seamlessly into a variety of child-friendly decor themes.

Energy Efficiency & Performance

Energy Saving Potential

Metric	1P AC	2P AC	3P AC
Rated Power (W)	1200	2200	3100
Electricity Charge/Day (\$)	7.68	14.08	19.84
Daily Savings with Fan (\$)	2.622	5.182	7.486

Operational Benefits

- Produces wind chill effect for improved comfort
- Allows higher AC temperature settings to save energy
- Reduces energy consumption by up to 40% or more
- Designed for consistent 10-hour daily operation
