

# Children's Folding Chair with Dolphin Plush

This children's folding chair features a blue fabric seat and backrest. A plush dolphin is attached to the back, and the chair is suitable for indoor or outdoor use.

## Product Overview

### Comfortable Seating for Children

This children's folding chair combines practical functionality with a playful dolphin plush design. Built with a durable tubular metal frame and vibrant yellow armrests, it offers a secure and stable seating option. The chair is lightweight and easy to store, making it a perfect solution for both indoor and outdoor activities.
