

# Children's Motorcycle-Style Tricycle

This children's tricycle features a motorcycle-inspired design. It has a three-wheel configuration, high-rise handlebars, flame decals, and a rear storage basket.

## Product Overview

### Designed for Young Riders

This children's tricycle combines the fun aesthetic of a motorcycle with the stability of a three-wheel design, making it an ideal choice for young children learning to ride. Featuring a sturdy metal tubing frame and a contoured seat, it ensures both durability and comfort during playtime. With authentic details like a high-rise handlebar, front headlight, and flame decals, this trike offers an engaging experience for active kids.
