

Child's Camouflage Bicycle with Basket and Carrier

This is a child's bicycle designed with a camouflage frame. It includes a front basket, a rear carrier, and training wheels.

Product Overview

Adventure-Ready Design

This child's bicycle features a rugged, camouflage-themed frame that captures the spirit of adventure. Equipped with both a front basket and a rear carrier, it offers practical storage for toys or essentials during play. The inclusion of training wheels ensures stability and safety for younger riders as they build confidence.
