

Christmas Tree Glitter Night Light

This decorative night light is shaped like a Christmas tree and covered in green glitter. It features a tiered design and sits on a silver-colored base, providing a soft, ambient light.

Product Overview

Festive Ambient Lighting

This Christmas Tree Glitter Night Light is a charming decorative piece designed to enhance holiday atmospheres. Featuring a tiered tree design coated in shimmering green glitter and supported by a sleek silver base, it provides soft, ambient illumination. It is an ideal choice for retailers and decorators looking for high-demand seasonal home decor items.
