

Chrome Finish Ceiling Fan with Wooden Blades

This ceiling fan features six aerodynamically designed wooden blades and a polished chrome motor housing. An integrated frosted glass light fixture provides ambient illumination, controlled by pull chains.

Product Overview

Efficiency Meets Elegance

This ceiling fan combines a sleek, polished chrome motor housing with six aerodynamically designed wooden blades for a sophisticated look. Beyond its aesthetic appeal, the fan is engineered for energy efficiency, helping to reduce reliance on air conditioning systems. By creating a wind chill effect, it allows users to adjust their AC settings, potentially saving significant energy costs in both summer and winter.

Design & Aesthetics

Finish Style	Polished Chrome
Blade Material	Wood
Number of Blades	6
Key Features	Frosted Glass Light, Pull Chain Control, Energy Efficient

Energy Efficiency Analysis

Energy Savings Comparison

Metric	1P AC	2P AC	3P AC
Rated Power (W)	1200	2200	3100
Electricity Charge/Day (\$)	7.68	14.08	19.84
Saving Charge/Day (\$)	2.622	5.182	7.486
