

Chrome-Finished Table Fan with Three Blades

This electrical fan features a three-blade design enclosed within a circular wire cage. It is supported by a U-shaped stand and designed for providing ventilation and air circulation in households.

Product Overview

Premium Chrome-Finished Table Fan

This high-quality table fan features a durable chrome finish and a classic three-blade design, engineered for efficient air circulation in indoor environments. The unit is securely enclosed within a protective circular wire cage and rests on a stable U-shaped stand equipped with non-slip rubber feet. Combining aesthetic appeal with reliable functionality, this fan is an ideal solution for providing consistent ventilation in offices, homes, or commercial spaces.
