## ADDITIONAL IMAGES

## Product Overview

### Premium Chrome Heated Towel Rail

This versatile heated towel rail is designed to provide efficient warming for bathrooms, utilizing durable mild steel construction for longevity. Available in a high-quality chrome finish or customizable powder-coated colors, it integrates seamlessly into various interior styles. The ladder-style configuration offers optimal heat distribution and towel drying efficiency, supported by a patented welding structure for enhanced sealing and reliability.

## Technical Specifications

### Finishing Options

- Chrome Plating (Cr 6+ / 3+ available)
- Customized Powder Coating

### Material

Mild Steel (SPCC / Q195)

### Heating Method

Central Hydronic, Electric Heating

### Standards Compliance

EN442, ISO 9000, ISO 14001, SA8000

## Dimensions and Performance

Technical Data Table
