

Chrome-Plated Hair Curling Iron

This hair curling iron features a chrome-plated barrel for even heat distribution. It is equipped with a cool tip, spring clamp, and ergonomic handle.

Overview

Professional Styling Performance

This chrome-plated hair curling iron is designed for consistent, reliable performance in professional styling environments. Featuring a high-efficiency PTC heater, it ensures rapid and even heat distribution for creating defined curls and waves. The ergonomic design includes a 360-degree swivel cord and a safe, intuitive control interface, making it an essential tool for daily salon use.
