

Chrome Single Lever Shower Mixer

This shower mixer features a chrome finish and a single lever handle for adjusting water temperature and flow. Designed for wall mounting, it includes threaded fittings for easy connection to water supply lines.

Product Overview

Modern Single Lever Shower Control

This Chrome Single Lever Shower Mixer combines elegant aesthetics with reliable mechanical performance. Its sleek, reflective chrome finish integrates seamlessly into any modern bathroom decor, offering a polished look. Designed for intuitive operation, the single lever allows for precise control of both water temperature and flow volume.
