

Chrome Vanadium Steel Chisel Set

This set includes a 38mm chisel and a 16mm chisel. Both chisels feature chrome vanadium steel blades and ergonomic black and orange handles.

Product Overview

Professional Chisel Set

This durable chisel set is engineered for precision woodworking and manual tasks. Featuring high-quality chrome vanadium steel blades, these tools offer exceptional strength and edge retention. The ergonomic handles are designed for a comfortable grip, ensuring better control and reduced fatigue during extended use.
