

COB LED Magnetic Warning Light

This COB LED warning light provides high visibility in low-light conditions. Its magnetic base allows easy attachment to vehicles or metal surfaces, making it suitable for roadside emergencies and traffic control.

Overview

Versatile Safety & Emergency Lighting

This COB LED magnetic warning light is an essential tool designed for high-visibility signaling and emergency situations. Featuring a powerful COB LED and 12 auxiliary LEDs, it offers five distinct lighting modes to suit various needs, from traffic control and rescue beacons to outdoor activities like camping and cycling. Its compact, durable design includes a magnetic base and hook, ensuring easy attachment to vehicles or metal surfaces for hands-free operation.

Technical Specifications

Light Source	1x COB LED + 12x LED
Power Source	6 x AAA Alkaline Batteries (Included)
