

COB LED Under Cabinet Light

This LED cabinet light provides bright and efficient illumination for enclosed spaces. Its slim profile and integrated design make it ideal for installation under cabinets, shelves, or in closets.

Product Overview

Versatile Under-Cabinet Lighting

This COB LED under-cabinet light is designed to provide efficient, uniform illumination for enclosed spaces such as closets, shelves, and kitchen cabinetry. Featuring a slim profile and integrated motion sensor technology, it offers a convenient and energy-efficient lighting solution. The durable construction ensures reliable performance, making it an ideal choice for residential or commercial utility lighting needs.

Technical Specifications

Performance Metrics

2 W

Power Rating

150 LM

Luminous Flux

1.5 V

Operating Voltage

Lighting Characteristics

- Color Temperature: 3000K-6500K
- LED Chip Type: 2835 SMD
- LED Quantity: 12 pcs
- Sensor Type: Motion Sensor

Power Source

3xAAA Batteries
