

Combination Wrench Set (26-Piece)

This set features 26 combination wrenches. The wrenches are made from chrome vanadium steel and come in a roll-up pouch.

Overview

Professional 26-Piece Combination Wrench Set

This comprehensive 26-piece combination wrench set is engineered for durability and precision in demanding environments. Forged from high-quality chrome vanadium (Cr-V) steel, the tools feature a mirror-polished, chromium-nickel alloy plating that ensures superior corrosion resistance and effortless cleaning. Designed for versatility, the set covers a wide range of sizes from 6mm to 32mm, making it an essential addition to any automotive repair, machinery maintenance, or general-purpose toolkit.
