

Commercial Beverage Display Freezer

This compact beverage display freezer is designed for commercial use. It features a transparent glass door for product visibility, adjustable shelves for flexible storage, and an illuminated display area for branding.

Product Overview

Compact Commercial Cooling Solution

The SC-120 is a compact commercial beverage display freezer designed to optimize product visibility and cooling efficiency in retail environments. Featuring a transparent glass door and internal illumination, it effectively showcases beverages while maintaining a consistent temperature range. Its robust compressor-based cooling system and energy-efficient design make it an ideal solution for small to medium-sized retail spaces.

Performance Metrics

Key Performance Metrics

110 W

Input Power

1.3 kWh/24h

Energy Consumption

Technical Specifications

Cooling System	Compressor
Temperature Range	0-10°C
Refrigerant	R134a/68g
Climate Class	N

Electrical Requirements

Supported Voltages	AC110V/60Hz, 200-240V/50Hz
