

Commercial Multi-Flavor Soft Ice Cream Machine

This commercial soft ice cream machine is designed for high-volume production. It is suitable for use in hotels, restaurants, chain stores and other places of business.

Product Overview

Professional Soft Ice Cream Solutions

This commercial-grade soft ice cream machine is engineered for high-volume environments such as hotels, restaurants, and retail chains. It features a high-efficiency refrigeration system that ensures rapid cooling and consistent output, making it ideal for busy professional kitchens. The unit is designed with durability in mind, utilizing high-quality stainless steel construction to meet the hygiene and maintenance needs of modern food service businesses.

Performance Specifications

Dispensing Capacity	Multi-flavor dispensing system
Serving Speed	High-Speed Serving, High Refrigerating Efficiency

Technical Requirements

Electrical Customization

- Adjustable Power
- Adjustable Voltage
- Adjustable Frequency

Physical Design

Build Material	Stainless steel
Mobility	Yes
